

A collage of hands holding various drinks against a sunset background. The hands are holding a martini glass with yellow liquid, a small jar of yellow liquid, a glass with a straw, and a glass with a dark liquid. The background is a warm, orange and pink sunset sky with a bright sun low on the horizon.

WE ARE A PROUD ADOPTER OF THE AFRICAN PENGUIN EXHIBIT.

Tipsy® Collective has partnered with Singapore Zoo to make a meaningful contribution towards the animal care and conservation efforts in Singapore and the region by adopting the penguins at the African Penguin Exhibit.

WE ARE GOING PLASTIC-FREE FOR THE FUTURE OF A GREENER EARTH.

Tipsy® Collective is going green across all outlets! We're making the switch to be plastic-free and use biodegradable packaging to do our part for our precious Earth. Climate change affects us all, so let's work together to preserve Nature, and show the Earth some real good lovin'!

SAVE THE TURTLES!

Every now and then, you'll have the delightful opportunity to spot adorable hawksbill turtles residing on Sentosa Island. Regrettably, these magnificent creatures are **critically endangered**. Their well-being is adversely affected by pollution caused by plastic waste and the relentless hunting for their shells.

Tragically, some hatchlings never reach the safety of the sea due to obstacles like sandcastles or distractions caused by artificial light sources, leading them astray from their natural path.

Here's how you can play your part:

Do not touch or feed the turtles. Call **1800-736-8672** to report any turtle or turtle track sightings.

Say 'No' to plastics. Refrain from using disposable plastic bags, bottles, straw and more.

Avoid littering the area and help to remove any waste you come across on the ground.

Fill in dug-out holes and knock down sandcastles before leaving the beach.

**LET'S WORK TOGETHER TO MAKE
OUR BEACHES A SAFE HAVEN FOR
OUR TURTLE FRIENDS TO LIVE IN!**
